

YOU! YOU! YOU!

8 NEW BLOGS WORTH BOOKMARKING

On your marks, get set, go indulge yourself and waste some cyber time!

Finding a new favourite website is like having a new treat arrive in the office vending machine. All of a sudden, the working day is brighter, more manageable and, yes, possibly less productive. Here's our pick of the best new websites. We apologise to your boss in advance. Sort of.

thx thx thx: a thank you note a day

Dear Anything I've Lost and then Found

Dear Anything I've lost and then Found, Thanks for reminding me that even if something seems completely gone, and its stopped looking for it long ago, that it can magically materialize usually in the pocket of a winter coat or something. So even though the book *Lost Things* got lost along the way, it's new adventures are explored, you give me faith that I too might get found again, in some pocket, in some other season. Reach for, Leah.

About

Leah Dieterich's mother always told her to write thank you notes. As the days go by writing thank you notes is her daily exercise to gratitude. (more...)

How often do you stop to say thanks for the little things in life? Leah Dieterich does it daily, with thank-you notes addressed to alcohol, headaches, Paula Abdul and Facebook, among other things.

JESSICA.HART/BLOG [jessicahart.net/blog](#) One of our fave models, Jess Hart, has teamed with her partner, Nicolas "Pottsy" Potts to create this crazy cute blog. Pottsy takes the pics as he and Jess document their adventures in New York.

THE REAL 1990s [thereal1990s.tumblr.com](#) For anyone who longs for Johnny Depp and Kate Moss to reunite and make beautiful babies, this site is for you. Page after page of '90s ephemera, you'll get a nostalgic kick out of this.

INSPIREDTASTE [inspiredtaste.net](#) A blog by "two people in love with food, cooking and each other," this is one of the most beautifully photographed food blogs. And with that tagline, and recipes like Brownie Pie, what's not to love?

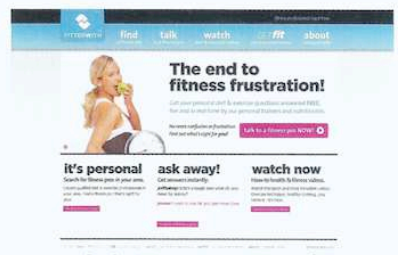

DESIGN IS MINE [designismine.blogspot.com](#) If your Robert Pattinson screensaver goes kaput, check out Design is Mine for endless pages of loveliness. A mix of interiors, travel, food and fashion, think of it as your virtual inspiration board.

THE DAILY NAIL [daily-nail.blogspot.com](#) Las Vegas slot machine artist Melissa Osburn decided she had too much nail polish. To justify her obsession, she began this blog, and each day, creates a unique – and outlandish – nail design.

SMART BITCHES, TRASHY BOOKS [smartbitchestrashybooks.com](#) Who hasn't known the pleasure of reading an awful book? At SBTB, a group of scathingly funny bloggers review truly terrible books, like *Tempt Me at Twilight*.

FITTER WITH [fitterwith.com](#) No need to fork out for a personal trainer. At Fitter With, just ask your exercise or diet question and a qualified fitness professional will email you the answer. There are also step-by-step videos. **Lauren Smelcher** □

PS... US researchers found students who resisted social media for a day experienced withdrawal symptoms similar to drug addiction.
